THE

THE CORPORATE LAUNCHPAD

Built for Career Dominance

Powered by the Corporate Resource Centre (CRC)
& Amity Technical Placement Cell (ATPC)

Industry Integration: We bridge the gap between academia and the corporate world through live projects, industrial training, CEO forums, and numerous industry partnerships/MoUs.

Rigorous Preparation: Our students undergo intensive training in aptitude, technical skills, and mock interviews to ensure they are job-ready, not just placement-ready.

Internship Focus: Internships and pre-placement offers (PPOs) provide real-world exposure before graduation.

PATHWAYS BEYOND THE JOB

THE GLOBAL SCHOLAR

For those destined for the Ivy Leagues and Global Research

World-Class Academic Support:

- ★ **Global Mobility:** Through the International Affairs Division, students can access multiple global exposure programs, including:
 - **Study Abroad Program (SAP):** Short, intensive 5-week modules at Amity's international campuses (New York, London, Dubai, Singapore, etc.) for global academic and cultural exposure.
 - **3-Continent Program (3C):** A multi-geographic program where students spend a semester at universities in the UK and US.
 - **International/Dual Degree:** Pathway programs splitting studies between India and foreign partners in UK, US, Australia, etc. to earn two recognized qualifications.
- ★ **Research Excellence:** Drive innovation in **400+ Hi-end Labs** under the mentorship of faculty ranked among the world's **Top 2% Scientists**. With **450+ patents granted** and **45,000+ research publications**, Amity offers a premier ecosystem for PhD aspirations and high-impact research.

Amity University Noida graduates have secured admissions to some of the world's most prestigious universities, continuing their academic journeys at leading global institutions such as:

THE VISIONARY FOUNDER

For those ready to build the next Unicorn

Turn ideas into impact with an award-winning incubation ecosystem that delivers end-to-end support—from seed funding and legal expertise to hands-on mentorship and industry access.

The Amity Innovation Incubator, a university-led initiative supported by the Dept of Science & Technology, Govt. of India, enables Amitians to build, launch, and scale high-growth start-ups.

The incubator connects founders to capital, networks, and guidance that transform ambition into scalable enterprises.
